TAPE-RECORDING AGREEMENT

As a student enrolled at Prairie View A&M University who has a disability that affects my ability to hear sufficiently or write adequately, Title II of the ADA affords me the right to tape record class lectures for the use in my personal studies only.

Lectures taped for personal studies will not be shared with others persons without written consent of the faculty person.

I understand that tape-recorded lectures may not be used in any way against the faculty person, guest lecture, or students whose classroom comments are inadvertently taped as a part of the class activity.

I am aware that information contained in the tape-recorded lecture is protected under the federal copyright laws and may not be published or quoted without the express consent of the speaker and without proper identity and credit to the speaker.

I agree to obey the guidelines of the Tape-Recording Agreement.
