Re: Traffic Alert for **March 25, 2014**

This notice is being sent for informational and planning purposes. Access to the campus via University Drive will be impeded, and some interior campus roads will temporarily be closed on Tuesday, March 25, 2014. This action is necessary due to the construction of the new Recreational Sports facility. The scheduled over-sized delivery to Prairie View A&M University will occur between the hours of 10:00 a.m. and 1:00 p.m. Please note that there will be individuals stationed along University Drive to guide the delivery and direct traffic as necessary. The road closures will be located at:

O.J. Thomas and L.W. Minor (Streets that intersect at the corner of the Willie A. Tempton MSC Building and University Park)
Reba B. Evans and L.W. Minor (Streets that intersect near Owens-Franklin Health Center, Delco Building and the University Park)
