Student Affairs Services

Career Preparation and Development

Setting the course to be successful when you graduate begins early in your undergraduate years. The Career Development Center is design to prepare you for the competitive job market in today's world. At the Career Development Center, you will have the opportunity to acquire internships and co-op positions from many one of our 300 registered companies; you can participate in mock interviews and resumé courses; and have the opportunity to sit and talk with PVAMU graduates that work for major corporations. The goal of the development center is to ensure that our students gain the necessary experience combined with enough professional exposure to transition effortlessly into corporate world.

Diagnostic Testing and Disability Services

At Prairie View A&M University, the Office of Diagnostic Testing and Disability Services exists to create and sustain a supportive environment that includes policies and practices that assist persons with disabilities to achieve at their fullest potential.
To accomplish our mission we utilize two general approaches:

> Our first approach is to provide direct services to persons with disabilities. Services are individualized based on the needs of the person and the level of the disability.
>
> The second approach involves coordination of services with University faculty, staff and external community agencies.

The goal of each approach is to ensure that persons with disabilities

are provided equal access to the programs and services of the University.

Student Counseling Services

The collegiate lifestyle can be an exciting time filled with freedom, new experiences, and changes that sometimes can be challenging. Some of you may need help coping with these challenges and personal issues because they can interfere with your ability to perform in college. We want to do our part in helping you have the best possible experience during your tenure at PVAMU. That's why we offer a wide range of services and programs to assist you, the student, in maximizing your potential for success.

We provide short-term individual, couples, and group counseling, as well as crisis intervention, outreach, consultation, and referral services. In addition, we offer extremely informative educational workshops and classroom presentations to interested groups who request them. Examples of these topics are listed here on the website.

2nd Floor, Owens-Franklin Health Center

Volunteer Services

Giving back to the Prairie View community is now easier with the addition of Volunteer Services to the division. Now students can seek volunteer opportunities in and around the campus from one office. Located in the 2nd Floor of the Memorial Student Center, Volunteer Services serves student organizations as well as individuals who would like to add services to their involvement resume. Students can have their hours verified and documented as official record used when joining various organizations. Stop by he Volunteer Services office and get engaged.
