Announces the
52nd Session of the Annual Ministers' Conference
at
Prairie View A&M University
Prairie View, Texas
February 2 & 3, 2010

Greetings:

God's goodness is always appreciated in challenging times like the ones we are facing today. With wars on the rise, the economy trying to recover, societal and political integrities being questioned, and the Church entertaining people instead of leading them to worship; Preaching Christ is what we need to hear!

In 2009, we have seen and experienced God 's hands of Grace and Mercy in the political and economic agendas. While many of us have celebrated the electing of Barack Obama as the first African American President, there is still much work to be accomplished. As African Americans we can no longer articulate the question "when will we see an African American as President of these United States?" God has granted favor allowing many of us to witness this historical event. However, the time has come to witness another historical event in our Preaching, that is Preaching Christ so that people may witness the power of Restoration within our Churches, Communities, Nation and the World.

Our theme for this 52nd Session of the Annual Ministers' Conference, "**Preaching Christ: Restoring Our Faith in Challenging Times**" challenges us to preach messages that will give people hope in difficult times, and restore their faith back in the Church and its ministries.

It is always my personal honor to express my sincere thanks to those colleagues in ministry who believed in the dream -- the dream that ignited us to fuel flames of enthusiasm about what's to come in campus ministry. Campus ministry is that tool that makes the difference in the lives of students who have come to receive an education of the first class. Thank God for those ministers who believed in contributing to a great cause which allows students to fulfill their educational goals.

It is my prayer that God will grant you favor to continue to attend and support this great conference and see what is in store for years to come. I look forward to your attendance and participation.

Faithfully yours,

Charles H. Lewter, IV
Dean of Chapel
