How to check pre-requisites in SCACRSE

Courses with pre-requisites must be reviewed in SCACRSE before the section is created on SSASECT.

1. Go to SCACRSE.
2. Enter the “Subject:”, “Course:” and “Term:”.
3. Next Block.

4. Click on Options on the toolbar and then click on “Pre-requisites”.
5. Next Block.
6. Click on the “Course Prerequisite Restrictions” tab. Assigned pre-requisites for the course should show up if any. Please review.

7. Roll Back and X out to close the form.

Requests to correct co-requisites will be sent in by the Department Head via the Electronic Schedule Change Submission form which will be found on the Registrar’s website.
How to check co-requisites in SCACRSE

Courses with co-requisites must be reviewed in SCACRSE before the section is created on SSASECT.

1. Go to SCACRSE.
2. Enter the “Subject:”, “Course:” and “Term:”.
