

SSAMATX (Building/Room Schedule)

This form is used to find what courses are being held in a building/room at a specific time.

1. Type in SSAMATX to get to the form.
2. Click on the LOV button underneath Building to find a building. A window will show up (Building Code Validation) and click on the appropriate building.

The screenshot shows the Oracle Developer Forms Runtime window for SSAMATX. The main form has a grid with columns: Building, Room, Campus, Mon, Tue, Wed, Thu, Fri, Sat, Sun, Subject, Course, CRN, Cross List, and Function. A red arrow points to the 'Building' column. A 'Building Code Validation (STVBLDG)' dialog box is open, showing a list of buildings. The 'Query Term' is '200910'. The dialog box has a search field with 'Find 0%' and buttons for 'Find', 'OK', and 'Cancel'.
