Substitute W-9 Instructions

Please complete the following information. We are required by law to obtain this information from you. You are required by law to provide your correct Social Security Number or Employer Identification Number to us. If you do not provide us with this information, your payments may be subject to 28% federal income tax backup withholding. Also, if you do not provide us with this information, you may be subject to a $50 penalty imposed by the Internal Revenue Service under section 6723.

Federal Law on backup withholding preempts any state or local law remedies, such as any right to a mechanic's lien. If you do not furnish a valid TIN, or if you are subject to backup withholding, the payer is required to withhold 28% of its payment to you. Backup withholding is not a failure to pay you. It is an advance tax payment. You should report all backup withholding as a credit for taxes paid on your federal income.
