RE: University Incoming Phone Lines

The University incoming phone lines have been down since approximately 2:30 p.m. this afternoon (1/24/2007). This has affected incoming calls only, and only calls to the phone numbers starting with 936-261-xxxx. AT&T has been contacted and is working on the issue. We currently do not have an estimated repair time, but will send out further updates as we have more information. If you have an emergency, please contact the Department of Public Safety @ 936-857-4313.
