RE: University Phone Maintenance

On Saturday, August 11, 2007 from 9:00am to 12:00pm, the University campus phones will not be operational due to routine maintenance. Full operational capabilities should resume after 12:00pm. If you experience any problems after 12:00pm, please contact the help desk at 936-261-2525 or 1-877-241-1752. We apologize for any inconvenience and thank you in advance for your help to continued improvement with our phone network.
