Re: CYBER SECURITY TIPS. "Internet Hoaxes and Urban Legends"

Attached you will find a cyber security newsletter from the Texas Department of Information Resources. The newsletter was developed in coordination with U.S. Computer Emergency Readiness Team (US-CERT) and the Multi-State Information Sharing & Analysis Center (MS-ISAC), as well as other sources, to promote cyber security awareness on regular basis. The newsletters are posted in pdf and html versions on DIR's Security 'Reading Room' webpage for future reference. To see this newsletter, visit the website:
