Re: Temporary Operational Hours - Student Computing Center

Temporary operational hours will be in effect August 20th through August 24th, 2007. These hours will effectively accommodate both the needs of financial aid processing and students desiring access to student computing center computers for other academic related needs. The computing center in Farrell Hall will remain in full service throughout this time. Access at this location will not be interrupted.

Once these temporary hours are completed, regularly scheduled student computing center operational hours will resume. Regular operational hours will be posted at student computing center locations, at the Information Technology Helpdesk (on-campus: Ext. 2525; off-campus 1-877-241-1725) and on the University main webpage at www.pvamu.edu.
