Re: Temporary Operational Hours - Student Computing Center

Temporary operational hours will be in effect November 28th through January 1, 2008. These hours will effectively accommodate the need of students desiring access to student computing center computers for academic related needs during final exam.

Once these temporary hours are completed, regularly scheduled student computing center operational hours will resume. Regular operational hours will be posted at student computing center locations, at the Information Technology Helpdesk (on-campus: Ext. 2525; off-campus 1-877-241-1725) and on the University main webpage at www.pvamu.edu.
