Vice President for Business Affairs

Re: Panther Alert System (PAS)

In order to inform the university community in emergency situations, we have established the Panther Alert System (PAS). The purpose of PAS is to keep the PVAMU campus communities informed in the event of an emergency. This system will notify PVAMU students, faculty, staff and certain contractors of emergency situations (severe weather, serious threats to safety, etc.) via phone, text messages and/or e-mails.

Students, faculty and staff members are responsible for keeping their contact information current. Contact information can be updated at: www.pvamu.edu/PAS

- PantherTracks for student information | *Instructions attached*
- HR Connect for faculty & staff | *Instructions attached*

No advertisements will be sent to the registered phones. Your information is not shared with or sold to third parties if you have opted to keep your information private. You may update your choice to keep information private by using PantherTracks for students and HR Connect for faculty and staff.

Should you have any questions, please contact Mr. Midhat Asghar, via email at miasghar@pvamu.edu or by telephone at 936-261-2156.
