RE: HUB Program

The PVAMU HUB Program staff would like to thank each of you for your support during the past fiscal year 2008. Although we did not meet the set overall University goal of 30%, PVAMU did make the Top 25 agencies with the largest percentage spent with HUBs for the first time in the history of our program (see attachment).

Please continue to work towards maintaining our Top 25 status and attaining our University set goal of 30%.

Again, thank you for helping us make Prairie View A&M University a "HUB World".
