OFFICE OF BUSINESS AFFAIRS MEMORANDUM No. FY09-45
Distributed via Campus Email

TO: Prairie View A&M University Students
FROM: Mary Lee Hodge, Vice President for Business Affairs
RE: Student Bill Payments – WEB Payments Made Easier

Beginning today, you will be able to pay your PVAMU student bills on the WEB using credit cards, e-checks, and debit cards. You will be able to authorize users, such as your parents, grandparents, or spouses, to make web payments on your student account. You have complete control to add or delete authorize users and can decide whether or not the authorize user can see details of your student tuition and fee activity. All the authorized user will need is a valid email address and computer access to the web,

You will still go to PANTHERTRACKS <http://panthertracks.pvamu.edu> as normal, sign in, and click Make a Payment on the Account Summary by Term page. Then, you will be directed to another web site to sign in with same Student ID and PIN for PANTHERTRACKS. At that site, you will be able to make payments on your student bill and authorize users to pay on your behalf. Authorized users will receive an email when you grant them access. The email will inform the authorize user of the web link and sign on information.

TAKE ADVANTAGE OF THIS ENHANCEMENT TODAY! Please go to PVAMU's Current Student website <http://www.pvamu.edu/pages/106.asp> and click on Student Bill Payments -- WEB Payments Made Easier link to learn more.

If you have someone who is helping to finance your way through PVAMU and you choose not to grant them access to your account, please let them know that we cannot discuss your account with them. We receive many calls from parents and grandparents who get frustrated with us when we tell them that until you grant them access we cannot provide them the information.

If you have problems or questions about this new feature, please contact Stephanie Redd in Treasury Services at X 1946.
