Vice President for Business Affairs

RE: Road Closures for Street Resurfacing

Phase I of the street resurfacing on T.R. Solomon, in front of Hobart Taylor and the Baby Dome will be completed on Monday, February 16, 2009. T.R. Solomon Street and the parking lots at Hobart Taylor and Blackshear will be accessible at that time. Phase II street resurfacing will involve the closing of L.W. Minor Street east of FM 1098 (Entrance to University Village Phases I & II) to Oscar Pipkin Street, just past R.B. Evans Street (*south of the Shuttle stop for University Village I & II*).

We plan to close these roads to traffic on *Monday, February 16, 2009* in preparation of Phase II street repair. We apologize for any inconvenience this construction may cause.
