April 8, 2009

OFFICE OF BUSINESS AFFAIRS MEMORANDUM No. FY09-70

Delivered via Campus Email

To: Faculty and Staff

From: Mary Lee Hodge  
Vice President for Business Affairs

Re: Software Purchase Program for FT Faculty & Staff

Prairie View A&M University is partnering with Texas A&M University to allow our full-time faculty and staff to take advantage of its software licensing program. Now PVAMU full-time faculty and staff can purchase a variety of software, including Microsoft Office 2007, for their personal use. The ITS Software Store will go live today. Full-time faculty and staff will receive an email from Texas A&M with instructions on how to participate in this software program.
