RE: Open Records/Public Information Requests

We are increasingly being contacted by outside parties to inspect or copy our records. The Public Information Act, formerly known as the Open Records Act, provides a mechanism for citizens to do so, and it provides for instances in which we can withhold government records from the public. Please be aware that information collected or maintained by us is subject to the Public Information Act. The format of the information does not affect its status under the Act.

We have developed a process where the University can respond to these requests within the required time frame and under the Public Information Act rules. This process will also allow us to comply with the reporting requirements under the law.

If you are contacted by anyone wishing to view or copy information, please refer them to my office so we can ensure compliance with the Public Information Act. Below you will find specific response guidance.

1. You should instruct the requestor that his/her request must be in writing.
2. You should tell the individual that the request should be addressed as follows:

Mary Lee Hodge, Vice President for Business Affairs  
Prairie View A&M University  
P.O. Box 519; Mail Stop 1300  
Prairie View, Texas 77446

Or via email to [openrecords@pvamu.edu](mailto:openrecords@pvamu.edu)

3. You should recommend that the correspondence be labeled as a "Public Information Request".
4. You should not accept the request and forward it to my office. The request should be made directly so that we can ensure compliance with Public Information Act deadlines.
5. If the requestor has further questions, you may refer him/her to our web page at <http://www.pvamu.edu/openrecords> or to the Attorney General's web page at [http://www.oag.state.tx.us/open/og\\_faqs.shtml](http://www.oag.state.tx.us/open/og_faqs.shtml).

Your cooperation in this matter is greatly appreciated and will enable us to comply with State Law. If you have any questions about open records, please do not hesitate to call Ms. Paula Sandles or me at x2150.
