Re: CYBER SECURITY TIPS

The September 2009 issue of DIR's Cyber Security Tips, entitled "Browser Cookies," defines browser cookies, explains what they are used for, and shows the possible risks involved with using them.

The newsletter is available on DIR's Reading Room web page located at

<http://www.dir.state.tx.us/security/reading/200909cybersec.pdf>

Please direct suggestions or comments for future issues to Ted James, 512-463-4220, or ted.james@dir.state.tx.us.

Archived newsletters are available on DIR's Security Reading Room:
