OFFICE OF BUSINESS AFFAIRS MEMORADUM No. FY06-32

Distributed via Campus Email

To: President, Vice Presidents, Deans, Directors and Department Heads

From: Mary Lee Hodge
Vice President for Business Affairs

Re: VOIP Telephone Directory

As we rollout the Voice over Internet Protocol (VOIP) project, the Office of Business Affairs would like to provide readily available access to the new telephone numbers for departmental offices. Our Web Content Specialist has developed a webpage on the Business Affairs website to display the new VOIP directory as various offices are being moved over to the new telephone system. The telephone web directory can be found at the following site:

<http://www.pvamu.edu/pages/1256.asp>. In addition, we are updating the web directory on the University's home page. That directory should be updated within the next 10-14 days.
