</table>
| 7. Review Approach | _Target(3)_  
| | <p>Emphasizes the findings of previous research in addition to stating the methodologies and variables studied.</p> | _Acceptable(2)_  
| | <p>States the methodologies and variables studied.</p> | _Unacceptable(1)_  
| | <p>Does not state the methodologies and variables studied.</p> | _comments(0)_ |
| 8. Research References | _Target(3)_  
| | <p>The list of references is current and adequate.</p> | _Acceptable(2)_  
| | <p>The list of references is adequate.</p> | _Unacceptable(1)_  
| | <p>The list of references is not adequate.</p> | _comments(0)_ |
| 9. Format of References | _Target(3)_  
| | <p>The format of the references is consistent, neat, and meets the APA standards.</p> | _Acceptable(2)_  
| | <p>The format of the references meets the APA standards.</p> | _Unacceptable(1)_  
| | <p>The format of the references is inconsistent and/or does not meet the APA standards.</p> | _comments(0)_ |
| 10. Overall Quality of report | _Target(3)_  
| | Cover pages are according to the syllabus requirements and are neatly presented. | _Acceptable(2)_  
| | Cover page are according to the syllabus requirements. | _Unacceptable(1)_  
| | Cover page are not according to the syllabus requirements. | _comments(0)_ |
