

Transition Points, Key Assessments Initial Programs--Matrix

The professional education unit identified four transition points that are common to all initial education programs. The four transition points and the key common assessments for which data are collected each semester in all initial programs are indicated in the following table:

Transition Point for Initial Undergraduate Education Programs				
Admission	Entry to clinical practice	Exit from clinical practice	Program completion	After program completion
Core GPA	CUIN GPA,	PDAS	Cumulative GPA	TExES Content Area Test (By Program),
Disposition Assessment	Complete CUIN pedagogy courses (12 hours)	Program GPA	Disposition Assessment	Preparation & Responsibilities (By Program)
Electronic Portfolio Review	Disposition Assessment	Electronic Portfolio Review	Electronic Portfolio Review	Graduate Survey, Employer Survey
