

PRAIRIE VIEW A&M UNIVERSITY

A Member of The Texas A&M University System

April 11, 2011

Dear Student:

I am sorry to inform you that the Roy G. Perry College of Engineering will not host the College of Engineering Enhancement Institute (CE2I) summer 2011.

Please know that this was not an easy decision as I believe the bridge-to-college program is extremely beneficial to our incoming freshman. Although we are unable to host the event this year, please know that we will do our best to ensure that your student is successful here in the College of Engineering at Prairie View A&M University.

If you would like to discuss alternative activities or classes that your child might participate in this summer to prepare for their freshman year, please contact Dr. CherRhonda Smith-Hollins, our Program Manager via phone at (936) 261-9941 or email at cmsmith-hollins@pvamu.edu.

Sincerely,

Kendall T. Harris, Ph.D., P.E.
Dean
