Address:	Graduation Date: (Month\Year)
City, State, Zip Code:	Phone Number: ()

A Borrower Based Academic Year (BBAY) is initiated by requesting that the Financial Aid Office utilize your 2010 - 2011 federal student loan eligibility during the summer enrollment period. The BBAY award cycle covers two semesters - summer 2010 and fall 2010. Aid is awarded based on costs for the entire period.

In order for your financial aid counseling team to process your request, your signature is required to acknowledge the following:

- I am a graduating student. I am scheduled to complete my degree in either the summer 2010 or fall 2010 semesters;
- I have completed a 2010 - 2011 Free Application for Federal Student Aid (FAFSA);
- I am currently in compliance with the University's Satisfactory Academic Progress Policy;
- Returned all requested documentation to the PVAMU Office of Student Financial Aid;
- I understand that by using my loan eligibility during the summer and fall that I would have exhausted the funds for the academic year.

I hereby acknowledge and understand the aforementioned information.
