

A HUB is a business that is formed for the purpose of making a profit and that is otherwise a legally recognized business organization under the laws of Texas. A HUB must be at least 51 percent owned by one or more persons who are economically disadvantaged due to their identification as members of certain groups. The groups include Black Americans, Hispanic Americans, Asian Pacific Americans, Native Americans, and Women. These individuals must have a proportionate interest and demonstrate active participation in the control, operation, and management of business affairs. A HUB must also have its principal place of business in the state of Texas.

**COMMITMENT**

Prairie View A&M University continues our commitment in soliciting and promoting participation of certified minority and woman-owned businesses through the Historically Underutilized Businesses (HUB) Program of the State of Texas in the procurement of goods and/or services. The Vice President for Business Affairs and the PVAMU HUB Office is committed to HUB Diversity and will aggressively work towards expanding HUB contract opportunities with certified minority vendors.

PVAMU's FY 2012 Campuswide HUB goal is 34%.

All HUB Vendors are certified and will give HUB credit for all purchases.
