Member Spotlight: Thank You for Your Service to ZGO

Zeta Gamma Omega is honored to have in its presence women of character and style. There is always someone who steps up to the plate and assumes responsibilities that go above and beyond the call of duty. Someone who possesses character and dedication to whatever task that is placed before her.

We are proud to have as one of our family members an individual who depicts the characteristics of an Extra Special Soror with a Passion for others. Soror Williams is chair of our courtesies committee. She is responsible for ensuring all courtesies are extended to chapter members and family members as deemed necessary.

Marion Williams goes out of her way to make sure others are comfortable. She not only sends an occasional card or arrange for flowers and plants, she takes it upon herself to visit with those who are sick and shut in. She gives more of herself through her humble spirit and kind heart. She is definitely an Exceptional Spotlight member with Personality.

As Alpha Kappa Alpha Sorority, Incorporated celebrates 100 years of service to all mankind; it is truly a blessing and a privilege to have Exceptional Sorors with a Plan and a Purpose. Zeta Gamma Omega is proud to introduce to you its spotlight member, Marion Williams.
