Mission Statement

The Learning Curve’s mission is to provide a solid foundation enabling students to become confident, capable, independent learners by:

1. Providing tutoring for a variety of courses, as needed, in most academic areas.
2. Organizing study groups to enable students to work together to achieve academic goals.
3. Identifying potential student peer tutors who may provide tutorial support for courses not currently being served.
4. Identifying and implementing additional services that may support students’ academic success, based on both expressed and demonstrated needs.
