**NOTES & STUDENT INFORMATION**

- Business majors who want to minor in another business area can have dual credit for 6 sch (two courses) from the major area count for the minor. Additional courses which overlap with the major area courses must be made up with elective courses in the minor area.
- The Business Administration minor is not an available option for business majors.
- Some courses listed may require additional pre-requisites for non-business majors.
- All electives must be at the junior or senior level (3000 - 4000) to be considered for the minor.
- Courses offered may vary depending on the semester; please contact an advisor or department head in the College of Business to discuss a minor.
