Your application was selected for review in a process called Verification by the U.S. Department of Education. The financial aid program rule ((34 CFR, Part 668)) states that before awarding federal student aid, PVAMU may ask you to confirm the information reported on your Federal Application for Federal Student Aid (FAFSA). You must complete and sign this worksheet, attach any required documents and submit them to the Prairie View Office of Student Financial Aid & Scholarships. If there are differences between your application information and your financial documents, Prairie View A&M University will need to make the necessary corrections. If the requested documents are not received, any aid that you have received may be cancelled. Requested information must be reviewed under the financial aid program rules.
