For Initial eligibility, students must:
• Be a Texas resident or pay resident tuition rates as a dependent child of a member of the Armed forces.
• Be at a freshman or sophomore classification level
• Have graduated high school, operated by the U.S. Department of Defense or public/private Texas high school, on the Recommended or Distinguished program
• Have a completed FAFSA on file and eligible for Financial aid
• Enrolled full-time\(^1\) at an eligible institution towards a degree or certificate
• Have an EFC greater than $4,800\(^2\)
• Meeting SAP requirements.
• Not have earned a bachelor’s degree

For Renewal eligibility students must:
• At the end of the initial award year, maintain Satisfactory Academic Progress, determined by the institution\(^3\).
• At the end of the second award year, maintain a GPA of 2.5
• Be enrolled full-time.
• Have a completed FAFSA on file.
• Have not accumulated no more than 150 credit hours

Annual amounts
• The Texas Higher Education Coordinating Board (THECB) determines the maximum annual amount an institution can award. The institution has the discretion to award a lower annual maximum to ensure all eligible students, initial and continuing, may receive an award.

---
\(^1\) The institution determines full-time status. For Prairie View A&M, Full-time status equals 12 hours.
\(^2\) Students with an EFC of $4,800 and below can be eligible for the Texas Grant, but will not be considered for Be-On Time to ensure equity in the awarding of financial aid to all eligible students.
\(^3\) Satisfactory academic process for Prairie View is a cumulative GPA of 2.0.
