(I sincerely apologize should you received this e-mail multiple times.)

Dear Colleagues across the globe, wherever you are, greetings,

Once again, it is with great pleasure and pride that I inform you of the availability of **AAM Volume 15, Issue 1 (June 2020)** of *Applications and Applied Mathematics: An International Journal* (AAM) in its 15th year of existence**.** This volume, with attached Table of Contents contains **38 papers and 672 pages** of peer-reviewed and quality papers in all mathematical sciences and operations research**.** This Issue, as others, can be viewed at **http://www.pvamu.edu/aam.** The Special Issue No. 6 was published in April 2020 and the next regular issue will appear in December of 2020.

To strengthening the credibility of AAM and to prevent plagiarism, AAM is using the **Turnitin software**.as part of its review process. Manuscripts with high rates of duplications are being rejected. Please be informed that, currently, publication in and access to AAM is free of charge and the contents from AAM publications are included in and/or indexed by (in alphabetical order):

1. **American Mathematical Society, Mathematical Review** (**MathSciNet®**),
2. **Cabell Publishing, Inc.,** Cabell's International,
3. **CPM,** Current Mathematical Publications,
4. **EBSCO** (http://www.ebscohost.com/) **information products**,
5. **ESCI, Emerging Sources Citation Index**, **Clarivate Analytics products**, (http://wokinfo.com/media/pdf/ESCI_Fact_Sheet.pdf?utm_source=false&utm_medium=false&utm_campaign=false/),
