THE ONE HUNDRED AND FORTY-SECOND
SPRING COMMENCEMENT

WILLIAM "BILLY" J. NICKS, SR. BUILDING (BABY DOME)

FRIDAY, MAY TENTH
SIX O'CLOCK IN THE EVENING

SATURDAY, MAY ELEVENETH
EIGHT O'CLOCK IN THE MORNING
AND
TWO O'CLOCK IN THE AFTERNOON

To our Guests

Commencement is a significant and ceremonious occasion, recognizing years of study and sacrifice. We ask all guests and participants to avoid unnecessary conversation and movement during the exercise. We also ask that cellular phones be silenced during the ceremony.

Please withhold your applause during the presentation of degrees until each degree group is acknowledged and the candidates have returned to their seats.

Following the singing of the Alma Mater, there is a recessional for the platform party. We ask the audience to remain seated during this period.

For your convenience, an Emergency Medical Services station is available in the William "Billy" J. Nicks, Sr. Building (Baby Dome). Please ask an usher for assistance.

The history of PRAIRIE VIEW A&M UNIVERSITY

ESTABLISHMENT

1876

Prairie View A&M University, the first state-supported college in Texas for African Americans, was established during the Reconstruction period after the Civil War. This was the historical period when political and economic special interest groups were able to aggressively use the federal government to enact public policy designated to “alter or reshape the cultural milieu of the vanquished Southern state.” The University had its beginning in the Texas Constitution of 1876 which, in separate articles, established an “Agricultural and Mechanical College” and pledged that “Separate schools shall be provided for the white and colored children, and impartial provisions shall be made for both.” As a consequence of these constitutional provisions, the Fifteenth Legislature established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth” on August 14, 1876.

NAMES GIVEN TO THE UNIVERSITY

1876 - 1973

The Fifteenth Legislature (August 14, 1876) established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth.” The Sixteenth Legislature (April 19, 1879) established “Prairie View State Normal School” in Waller County for the training of colored teachers. The Twentieth Legislature attached the words Agriculture and Mechanical Department to Prairie View Normal School. The Twenty-sixth Legislature (1899) changed the name to “Prairie View State Normal & Industrial College.” The Forty-ninth Legislature (June 1, 1945) changed the name to “Prairie View University.” The Fiftieth Legislature (March 3, 1947) established “The Texas State University of Negroes” (now Texas Southern University) and changed the name of Prairie View University to “Prairie View Agricultural and Mechanical College of Texas.” The Sixty-third Legislature (1973) changed the name to Prairie View A&M University.

ENROLLMENT OF THE FIRST STUDENTS

1878

The Board of Directors purchased the Alta Vista Plantation (1,338 acres) from Mrs. Helen Marr Kirby, the widow of the late Col. Jared Ellison Kirby. The College was named “Alta Vista Agricultural and Mechanical College for Colored Youth.” The Board, authorized to appoint a principal to administer the College, selected L.W. Minor of Mississippi. Eight young African American men, the first to enroll in a state-supported college in Texas, began their studies on March 11, 1878.

ERA OF PRINCIPALS AS CHIEF ADMINISTRATIVE OFFICERS

1878 - 1948

Prairie View strengthened and enlarged its curriculum and grew under the leadership of a series of dedicated principals. These men led the College during those difficult decades as Federal Reconstruction ended and the doctrine of “separate but equal” emerged with the Plessy v. Ferguson Supreme Court decision of 1896. The eight principals and their tenures were: L.W. Minor, 1878; E.H. Anderson, 1879-1884; Laurine C. Anderson, 1884-1894; Edward L. Blackshear, 1895-1915; Isaiah M. Terrell, 1915-1918; J.G. Osborne, 1918-1925; Paul (Uncle Paul) Bledsoe (Interim Principal), 1925-1926; Willette Rutherford Banks, 1926-1947; and Edward B. Evans, 1947-1948.

ERA OF PRESIDENTS AS CHIEF ADMINISTRATIVE OFFICERS

1948 to Present

In 1948, as a result of America emerging as the leader of the “Free World” after World War II, President Harry S. Truman ordered the racial integration of the U.S. Armed Forces. The Board of Directors changed the title of the Chief Administrative Officer of the College from Principal to President on December 3, 1948. The Presidents and their tenures are: Edward B. Evans 1948-1966; Jesse M. Drew, 1966; Alvin I. Thomas, 1966-1982; Ivory Nelson (Interim President), June 1982-January 1983; Percy A. Pierre, 1983-1989; Milton R. Bryant (Interim President), June 1989-December 1989; Julius W. Becton, Jr., 1989- 1994; Harold S. Bonner (Interim President), August 1994-October 1994; Charles A. Hines, 1994-2002; Willie A. Tempton, Sr. (Interim President), 2002-2003; George C. Wright, 2003-2017; Ruth J. Simmons, 2017-2023; Michael L. McFrazier (Interim President), 2023; Tomikia P. LeGrande, 2023-present.

Commencement Orator

PHIL GRIFFITH

Vice President, Houston Hub—IAH
United Airlines

Phil Griffith is the vice president of United's Houston hub at George Bush Intercontinental Airport (IAH) which serves the nation's fourth largest city and offers the airline's customers a key gateway to Latin America.

Phil has amassed an impressive record of supply chain and operational improvement successes with globally recognized, multi-national companies such as Honeywell and General Electric (GE). At GE, he led teams on five continents in various health care, consumer and industrial, and corporate divisions. Most recently, Phil oversaw the strategy and deployment of project management, sourcing, manufacturing and security resources for multiple business units in the sub-Saharan Africa region.

In previous roles, Phil managed supply chain operations for healthcare factories across the Americas; led quality operations for the global lighting, appliances and electrical distribution and control business; and served as plant manager in multiple facilities.

As General Manager of sales and operations planning at Honeywell, he led those global functions, along with inventory management and distribution and logistics for the jet engines and aviation control systems operation. He was also chief operating officer at Horsburgh & Scott, a producer of industrial gear-related products.

Phil holds a master's degree in manufacturing systems from Southern Illinois University and a bachelor's degree in electronics engineering technology from Grambling State University. He previously served as an executive connections mentor with the W.P. Carey School of Business at Arizona State University and currently serves as an Aviation Management department board member at Texas Southern University.

GRADUATING WITH ACADEMIC HONORS[†]

Honors recognition at graduation is based on consistent high scholarship and cumulative grade point averages earned. To be eligible for graduation with honors, a student must not have received any failing grades and must complete the last 60 semester hours in residence at Prairie View A&M University. A student may graduate with honors in one of the three categories, Summa Cum Laude, Magna Cum Laude, or Cum Laude as outlined in the university catalog.

Academic Regalia

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common headpiece (or cap) for the ceremony is the black square, flattop, or “mortarboard” type with a gold or black tassel. It is called a “mortarboard” because it is shaped like the board of the mason which holds mortar. The large velvet Tam-O-Shanter style of headpieces may replace the mortarboard. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university awarding the degree. The academic discipline is represented by the color(s) on the outside rim of the hood according to the table below:

Agriculture	Maize	Nursing	Apricot
Architecture	Lavender	Philosophy	Dark Blue
Arts, Letters, Humanities	White	Physical Education	Sage Green
Commerce, Accountancy, Business	Drab	Physics	Science Gold
Criminal Justice	Midnight Blue	Psychology	Gold
Economics	Copper	Public Administration, including	
Education	Light Blue	Foreign Service	Peacock Blue
Engineering	Orange	Public Health	Salmon Pink
Fine Arts	Brown	Science	Golden Yellow
Forestry	Russet	Social Work	Citron
Geography	Blue and Green	Technology	Golden Yellow
Journalism	Crimson	Theology	Scarlet
Library Science	Lemon	Veterinary Science	Gray
Mathematics	Science Gold		
Music	Pink		

The tassel on the doctor’s cap is usually gold and is permanently fastened on the left side. The master’s cap has a black tassel or color appropriate to the discipline worn on the left. The bachelor’s cap has a black tassel or color appropriate to the discipline worn on the right prior to graduation then moved to the left during the ceremony.

The gown is usually black. The traditional doctor’s gown has velvet panels down the front and three velvet bars on the regular sleeves. The master’s gown has no velvet, but does have unusually long sleeves. The bachelor’s gown is similar to the master’s gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the college granting the degree, such as “Education Blue.” Others may be “Yale Blue” or “Harvard Crimson” for the graduates of those universities. Customized stoles highlight the accomplishments of students, including to honor those students who have served the nation in the Armed Forces.

University Mace and Presidential Medallion

UNIVERSITY MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand. The four figures are symbolic of the four undergraduate academic years. In the hollow area beneath the figures is a flame that is equally shared. The flame denotes knowledge and excellence. The base symbolizes the entire faculty. It serves as a grip and is carried by the university marshal. The stand, which supports the mace, characterizes the administration. The visual impact of the mace as a whole is “torch-like.” The eight tassels represent the academic organization of the University.

THE TEXAS A&M UNIVERSITY SYSTEM PRESIDENTIAL MEDALLION

The Texas A&M University System’s Presidential Medallion features the seal of Prairie View A&M University and signifies the trust placed in the institution’s new leader by The Texas A&M University System Board of Regents and the Office of the Chancellor. Infused with tradition and honor, the medallion is a symbol of the responsibility to inspire, mentor, and serve the students of Prairie View A&M. The System’s chancellor presents the medallion to the new president at his or her inauguration.

STATE OF TEXAS
OFFICE OF THE GOVERNOR

A Message from the Governor:

As Governor of Texas, I am proud to extend a warm welcome to everyone in attendance at Prairie View A&M University's 2024 Spring Commencement Convocation.

Graduates, as you celebrate your achievements and reflect upon your time as students of this fine institution, know that Texas celebrates with you. You have demonstrated academic excellence, perseverance, and no small amount of hard work. Your diploma is not only the goal you have worked so diligently to attain but also a symbol of the education that has prepared you for success in any future endeavor—whether further academic study, a professional career, or service in the armed forces.

Ours is an ever-changing world, and it needs your talents and energy as we continue to face the great challenges of our time. As Texans, we share a deep-seated determination and a pioneering spirit, and we all have important roles to play as we build upon the successes of yesteryear and bring about an even better tomorrow.

You have inherited the freedom and prosperity of our people, and you must accept the responsibilities that accompany them. The tasks in store may be daunting. These moments of celebration, however, offer a glimpse of the bright future that awaits us, and we must carry this celebratory spirit as we pursue it.

I have the utmost confidence that the milestone you celebrate today is but one of many achievements in store for you. At this time, I encourage you to recognize the different support systems that helped you reach this moment—family, friends, teachers, and professors—and to thank and honor them. The success you know today is the work of many, and those relationships will guide you as your journey unfolds.

The document you receive is the culmination of many years' work, but your diploma marks not an ending but rather a beginning. As you embark upon the next chapter of your life, do so with boldness and the knowledge that your accomplishments will echo through the ages.

First Lady Cecilia Abbott joins me in extending best wishes for continued success.

Sincerely,

A handwritten signature in black ink that reads "Greg Abbott".

Greg Abbott

THE TEXAS A&M UNIVERSITY SYSTEM

May 10, 2024

Dear Prairie View A&M University Graduate:

Congratulations! You have managed to graduate from Prairie View A&M University, one of the top 10 HBCUs in the nation. Your degree has clout like never before. And I am confident that under the leadership of President Tomikia LeGrande, that clout will only grow as more and more people look to Prairie View A&M University graduates for the answers because they know you have been prepared for success.

I commend you for your personal accomplishments and tenacity. You are the embodiment of Panther Pride and Spirit. Your success is the result of your firm commitment and many sacrifices. The Regents and the Texas A&M University System and I are proud of you.

Your accomplishment, however, is also the legacy of the struggles of those who came before you, paving the way for your success today. May you never forget their sacrifices and live a life that honors them. May your success inspire the next generation.

Again, congratulations. The future is yours. I hope you will remain an active member of the Prairie View A&M University Community.

Sincerely,

John Sharp

ALMA MATER
DEAR PRAIRIE VIEW

Dear Prairie View, our song to thee we raise,
In gratitude we sing our hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.
