Distance Learning Services

Get to “The Hill” from virtually anywhere
Mission of Distance Education

In keeping with the University’s values including but not limited to, access and quality, the Office for Distance Learning supports student learning through eCourses (Moodle) for online, hybrid and web-assist course delivery. Distance Learning also administers the University e-portfolio and plagiarism detection services. The Office of Distance Learning’s role in technology use is discussed fully in SACSCOC Federal Requirement Narratives 4.8.
