Dear Agency Official/Staff:

A requirement of the course is for the student to continue exposure to experiential learning in social service settings. While in the social service setting, the student is expected to interview the director or designee who is knowledgeable about the services that your agency/setting provides to its clients/customers. Also sign the attached time log documenting the dates and amount of time the student spent at the agency/setting.*

Accredited since 1980, the mission of the Social Work Education at Prairie View A&M University is to prepare students as professional generalist social work practitioners and provide students with requisite knowledge for advanced study. Your assistance in helping our students in their professional development process is an important contribution.
