NOVEMBER NEWSLETTER | VOL. 3

Giving Thanks and Going Green

Greetings Panthers 😊

As the leaves fall and November arrives, we have much to be thankful for here at PVAMU! It's time to cozy up with some pumpkin spice and a heart full of gratitude. With midterms in the rearview mirror, we're that much closer to another year of growth and progress!

While we soak up the beauty of this season, let's keep our minds open to all the things we're thankful for. November brings several awareness days reminding us to appreciate our planet! Let's make this month unforgettable by staying safe and keeping the planet in mind.

Homecoming Announcements

 Join us Nov 4th as we tackle Alabama-Pline Bluff 

 Tip: Carpool to keep our campus eco-friendly consider carpooling with friends or using shuttles. This reduces carbon emissions & also adds to the fun of traveling together 

 As you prepare for Homecoming, we want to remind panthers to **prioritize safety; remember to follow safety guidelines**, whether you're attending the game, tailgating, or participating in other events. 

 Set your homecoming out!! Enjoy the festivities responsibly and look out for one another!

Awareness Days

World Paper-Free Day - November 6th

- Embrace digital solutions for communication and assignments. Reduce paper usage and environmental impact.

National Recycling Day - November 15th

- Remember to use recycling bins throughout campus, contributing to a cleaner and greener campus! 

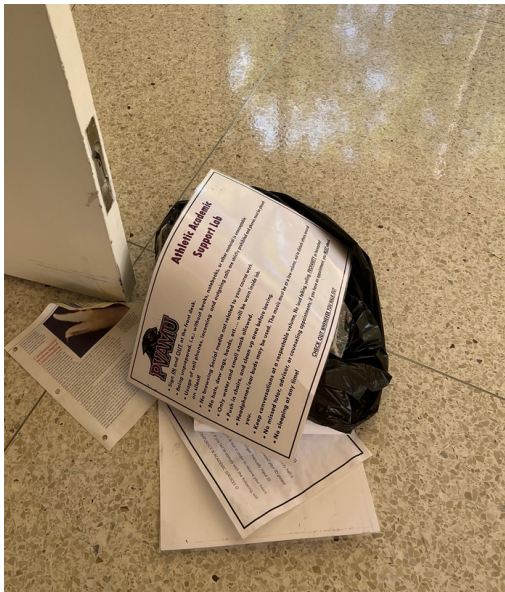

Thanksgiving - November 24th

- Come together as a community to support local food drives and charitable events. Spread the warmth and kindness that defines our PVAMU family.

Giving Tuesday - November 29th

- The smallest contributions to PVAMU initiatives and scholarships can make a significant impact on the lives of our students and the future of our institution.

Trash and Storage in Hallways

✗ Please be advised that leaving **trash, empty boxes and other items** in hallways or corridors could present a fire hazard and impede escape routes during an emergency.

✓ When disposing of trash and other items, please reach out to SSC by calling **936-261-9703** or putting in a work order by using **Maintenance Connection** so that a date and time can be coordinated for the pick-up and disposal.

📣 Spring 2024 Registration is Coming! 📣

Registration is starting!!!

Monday- 11/6- Special Populations (Athletics, Band, Honors, Veterans, Parents w/Children)

Sustainability Tips

Show our beautiful planet some love by making little sacrifices that go a long way!

- ★ **Reduce Food Waste:** Be mindful of portion sizes, composting food scraps is a great eco-conscious practice.
- ★ **Energy-Efficient Cooking:** Use energy-efficient appliances and cooking methods.
- ★ **Travel in Style:** Try carpooling, public transit, or other earth-friendly options.
- ★ **Give Back to Nature:** Lend your hand to Mother Nature. Join conservation groups, clean-up activities, or donate to environmental organizations. She deserves it!
