# PRAIRIE VIEW A&M UNIVERSITY

## KPMG MASTER OF ACCOUNTING DATA ANALYTICS (MADA) SCHOLARSHIP

Prairie View A&M University is pleased to be part of the KPMG Master of Accounting with Data and Analytics (MADA) Program. As part of this initiative, KPMG provides scholarships to university programs to increase the diversity of Accounting graduate students.

Through this program, scholarships for tuition and mandatory fees are available to students who meet the following criteria:

Should be on track to complete or have a bachelor's degree in accounting (or equivalent program) from an accredited college or university by the start of the PVAMU's Master of Science in Accounting (MSA) program

- Should be in good academic standing
- Should have a grade point average (GPA) of no less than 3.0 overall on a 4.0 scale and maintain a GPA of 3.0 or higher while receiving the scholarship
- Should be planning to enroll/already enrolled full-time in the University's MSA program (Scholarship award is subject to successful admission into the program)
- Should plan to complete educational requirements to be Certified Public Accountant (CPA) license eligible upon completion of the University's MSA program
- Should not be committed to work full-time at another company
- Should not require work sponsorship now or at any point in the future
