Re: Announcement of elected campus representative to the System Employee
Benefits Advisory Committee (SEBAC)

Every two years, a representative from every Texas A&M system member is elected as a representative to SEBAC. The current term will begin September 1, 2019 and end on August 31, 2021. The System Employee Benefits Advisory Committee (SEBAC) assists System Benefits Administration in coordinating and correlating the uniform group insurance programs and provides for open communication of ideas and suggestions concerning coverage, eligibility, claims, procedures, bidding, and administration and other aspects of employee insurance benefits.

We are pleased to announce that Dr. Sarina Phillips has been elected by the campus community to represent Prairie View A&M University as a voting member. Dr. Sarina Phillips has been with the Texas A&M University System for over twenty-four years, holding various positions of increased responsibility at Texas A&M University – Central Texas in Killeen, Texas before serving in as Assistant Provost and currently as Vice President for Enrollment Management here at Prairie View A&M University. We are confident in her ability to represent Prairie View A&M University and that she will be a great addition to the committee.

Thank you for your participation in the election process.
