The AGNR Cooperative Extension Program in Willacy County in conjunction with Texas A&M Agrilife Extension Service, Horticulture in Cameron County is hosting an educational workshop on **Pollinator Gardening** to promote practices to increase fruit production in your garden. Mr. Alex Beaton, Zone 3 Urban Conservationist with NRCS will be presenting on USDA Programs Helping Pollinators, and Prairie View A&M University Extension Associate, Mr. Nathan Hermond will present methods that you can apply to create a pollinator garden.
