HAY CONTEST INFORMATION

Please submit your samples and make checks or money order payable to:

**Soil Testing
Laboratory on or
before Oct 18, 2021**

Hay Collection Instruction:

1. Select random bales throughout the lot you wish to sample.
2. Obtain a sample from as far inside the bale as possible.
3. Place sample from bale into a 5-gallon bucket.
4. Repeat step 2 and 3 until you have at least 10 samples from 10% of the bales in the lot you are testing.

Recommended:

- * Sample # 7
- * \$8/Sample

Hay Samples must be
dropped off at:
**Waller County Extension
Office, 846 6th St.
Hempstead, TX 77445
(979) 826-7651**
