Office of Student Financial Aid & Scholarships

RE: Customer Service Update for November 26-30, 2018

The Office of Student Financial Aid & Scholarships will be participating in federal training the week of November 26th. Due to limited staff, you may experience longer than anticipated wait times. In order to save time, please be sure to login to [PVPlace](#) to check your financial aid status.

Students who need to submit additional documents to the financial aid office may do so at <http://www.pvamu.edu/faid/faid-requirements/panther-pass/>

Thank you for your patience as we continue to work to better serve you.

Sincerely,
The Office of Student Financial Aid & Scholarships
