Brailsford College of Arts and Sciences
Department of Mathematics

We regret to inform the Prairie View A&M University family and community of a great loss suffered on Tuesday, July 15, 2014 at the passing of our beloved Dr. Evelyn E. Thornton.

Dr. Thornton was one of the dedicated icons of the Department of Mathematics, Brailsford College of Arts and Sciences and the University with over 50 years of teaching, administrative and community service. Her presence in the halls and paths of this campus will be deeply missed, but never forgotten.

Dr. Thornton will live on as a legend; her genuinely positive spirit was a source of encouragement and inspiration for all.
