SUMMARY

Applied Physics and Nuclear engineering major interested in multidisciplinary areas of research. Also interested in application of nuclear energy to power technology in space.

EDUCATION

Morehouse College

Atlanta, GA

Bachelor of Science in Applied Physics and Engineering
Junior

Cumulative GPA: 3.1

Major GPA: 3.3

Anticipated Graduation Fall 2019

LANGUAGES

English

Spanish

SKILLS

Proficient in Microsoft Word, PowerPoint

Basic Excel skill

Understanding of programming concepts and some languages (Python, C)

Skill with micro-controllers

Auto-CAD knowledge

Sketching

ACHIEVEMENTS AND ACTIVITIES
