Re: CARES Act Emergency Funding for Students

Recently, the university was awarded approximately \$6.9 million in Coronavirus Aid, Relief, and Economic Security (CARES) Act funding. The Act provides federal aid to institutions of higher education to help students cover expenses related to the disruption of campus operations due to COVID-19. Eligible expenses include areas such as food, housing, utilities, course materials, technology, healthcare, child care, and moving/transportation expenses

### **Fund Distribution**

Students enrolled in the **spring 2020 semester** may now apply for CARES Act relief funds following the process below. Eligible students may receive relief funding of up to \$1000. The university recognizes that even if support is allocated up to \$1,000, additional expenses may remain. PVAMU will continue to pursue additional opportunities for support when possible.

Summer 2020 and fall 2020 CARES Act relief applications and corresponding deadlines will be posted as those funds become available.
