Re: Summer 2020 PV Summer Training and Enrichment Program (S.T.E.P.) – Canceled

As a result of the ongoing COVID-19 pandemic, the University has decided to cancel the PV Summer Training and Enrichment Program (S.T.E.P.) for summer 2020. PV S.T.E.P. is an on-campus, centrally funded, paid student internship program which we anticipate will resume next year. Thank you for your continued support of this annual student internship program.
