Re:      Dining Credit

On behalf of the University, it is our hope that you remain safe and engaged with your fall semester classes. According to the general semester guidance provided to you with regard to the COVID-19 pandemic, when leaving for the Thanksgiving break on November 25, 2020, you are to continue your coursework remotely through the end of the semester, unless provisions have been made through housing (ACC) for you to return.

The following are some provisions that have been made with respect to dining credits for the fall semester:

**Students Not Returning after November 25, 2020**
Students returning home until the spring semester will receive a prorated dining credit of $120.00 toward their spring meal plan. The amount will automatically be applied to your account; no action is needed on your part.

**Students Remaining on Campus**
Students who have received approval from housing (ACC) to remain on campus will not receive the meal plan credit, due to your presence on campus and the utilization of the meal plan.
- The MSC dining hours November 28-December 12, 2020 are as follows:
  - Lunch 11:00 a.m. – 1:00 p.m.
  - Dinner 5:00 p.m. – 7:00 p.m.
- Students will receive hot meals to go as well as a continental breakfast.

COVID-19 has created hardships for us all, and we appreciate your understanding and cooperation as we navigate through these unprecedented times.

If you should have any questions about this communication, please direct them to Auxiliary Services. Have a safe and enjoyable break.
