

**Form A-3 [2 Question Questionnaire]  
Assessment Report for  
Closing the Loop: Summarizing Results Data**

**Unit/Program Name:** Department of Health and Human Performance–

B.S. Human Performance

<b>Assessment Cycle:</b>	<b>Start Date</b>	2010	<b>Stop Date</b>	2011
--------------------------	-------------------	------	------------------	------

Using data (surveys, interviews, focus groups, tests, et cetera) please provide the following information:

**1. Based on data (surveys, interviews, focus groups, et cetera), what do you know about student learning and/or service delivery?** Summarize your Forms A-1s and / or A-2s.

- Student Learning: Based on an overview of program requirements and an assessment of program rigor, the following changes were made:
  - Candidates were not aware of the career options afforded as a result of a BS Human Performance
- Service Delivery: Analysis of candidate feedback indicated that candidates were not always aware of the career opportunities afforded with a BS – Human Performance.

**2. Based on question # 1 above (surveys, interviews, focus groups, et cetera), what will you do to improve student learning and / or service delivery?** Include outcomes, strategies, measure(s), targets, and cycle.

- Student Learning: Curricula aligned and offered to reflect teaching and non-teaching certification options; development of a rigorous internship program.
- Service Delivery: Distribution of all possible career opportunities to candidates.
