Dear Dr. Smith,

I joined in on the Field Supervisor Training on today September 29th, 2011. There was a problem with the registration. Ms. Edwards stated my name was on her list, however, when registering us she sent in my personal e-mail address for Elvin because she did not have an e-mail address for him. Therefore, everything that was sent via e-mail was addressed to Elvin and not me. I sent an e-mail to Sandra Nix Wednesday stating that I didn't receive a confirmation, and I was told that I had been registered by Ms. Edwards. Ms. Nix told me to call Ms. Edwards because my name was not on her list as being registered. When I called Ms. Edwards, she asked for Elvin's email address, she stated that she would send my registration to Elvin's email address. When he received the email, it was still addressed to him. I called Ms. Edwards back, but she had left for the day. At this point I called you and you advised me to use his registration, and send you a note stating that I did complete the training. I did not receive a certificate, and nor did I get the powerpoint that Ms. Nix said each field supervisor would receive. However, Elvin did. Will you please advise me on what I need to do in order to get this resolved? Thanking you in advance for your cooperation in this matter.
