

## Educational Platform

Construct an Educational Platform using the components provided. The educational platform is simply a "This I Believe" statement. The platform will be reviewed and discussed in class.

Caveat: The instructor assumes that all students in this graduate course are highly motivated individuals with high expectations for themselves. Therefore, all assignments will be evaluated on both content and process.

Element	Levels of Performance		
1. Content	__Target(2) The Educational Platform addresses all twelve of the required components.	__Acceptable(1) The Educational Platform addresses most of the twelve of the required components.	__Unacceptable(0) The Educational Platform does not address enough of the twelve of the required components.
	_____ _____ _____		
2. Organization of paper	__Target(2) The ideas are organized in a <em>very</em> cohesive, logical structure.	__Acceptable(1) The ideas are organized in a fairly well but clarification is needed on some of the ideas.	__Unacceptable(0) The ideas <em>not</em> are organized in a cohesive, logical structure.
	_____ _____ _____		

<p>3. Sentence and Paragraph Development, Mechanics, Spelling and Grammar</p>	<p>__Target(2) Sentences and paragraphs are very well developed with minimal to no spelling and grammatical errors.</p>	<p>__Acceptable(1) Sentences and paragraphs are developed fairly well with minimal spelling and grammatical errors.</p>	<p>__Unacceptable(0) Sentences and paragraphs are poorly developed with too many spelling and grammatical errors.</p>
