	Collaboration with teachers, other education personnel, families of students, and the community			
		77	2.0462	2.11

Follow up surveys were given to our initial and advanced graduates in the College of Education as well as employers of our graduates starting in the Spring Semester 2008 in order to assess their preparation in the Content Area, Content Knowledge and Skills, Professional and Pedagogical Knowledge, their ability to help all students learn Preparation related to Knowledge and skills in their Field, and their ability to create positive environments for student learning. The return rate for the advanced level graduates was approximately 20%. The mean for Content Knowledge approximately 2.8 with a mode of 3 with an N return of 79. The survey results suggest that most of our candidates at the advanced level rate their preparation for content knowledge as excellent.

Follow-Up Survey for Advanced Teacher Educators

Name: (Optional)_____ **Semester of Graduation**_____

Degree Obtained _____ **Program:** _____

Directions: *In order to help us improve our programs, we need your input about the quality of our programs. Please indicate your level of preparation in your degree program in the areas of knowledge, skills, and dispositions. Circle the number that most closely reflects your level of preparation.*

*1 indicating **unacceptable**, 2 indicating **acceptable**, and 3 indicating **target (excellent)***

	Scale Circle the Number
Knowledge of subject-area content	3
Planning and preparation for instruction	3
Working with individuals with disabilities	3
Effective integration of technology	3
Effective strategies for differentiation among students.	3
Effective strategies for teaching literacy	3
Effective strategies for teaching content areas	3
Effective strategies for teaching higher-order thinking	3
Organizing the classroom environment for instruction	3
Success in student motivation	3
Formative and summative assessment of students	3
Using data to improve your teaching	3
Establishing professional behaviors	3
Collaboration with fellow teachers, other education personnel, families of students, and the community	3
Working with diverse populations	3
