If the author's employer did not sign the agreement or waiver, the paper will not be published by the journal.

The author warrants that the paper is the author's original work, has been written by the stated authors and has not been published before or elsewhere (if excerpts from copyrighted works, figures, diagrams, photos, trademarks or other such materials are included, the author will obtain written permission from the copyright owners and show credit to the sources in the manuscript). No revisions, additional terms or addenda to this Agreement can be accepted without our express written consent. Authors at institutions that place restrictions on copyright assignments including those that do so due to policies about local institutional repositories, are encouraged to obtain a waiver from those institutions so that the author can accept our publishing agreement.

I understand that I retain or am hereby granted (without the need to obtain further permission) rights to use certain versions of the Article for certain scholarly purposes, as described and defined below ("Retained Rights"), and that no rights in patents, trademarks or other intellectual property rights are transferred to the journal. The "Retained Rights" include the right to use the Pre-print or Accepted Authors Manuscript for Personal Use, Internal

Voluntary posting by an author on open Web sites operated by the author or the author's institution for scholarly purposes, or (in connection with Pre-prints) pre-print servers, provided there is no Commercial Purpose involved.
